QUALIFICATION SYSTEM – WINTER YOUTH OLYMPIC GAMES GANGWON 2024

Number of Quota Places	Qualification Event
	D.2.2 The top eight (8) NOCs/NFs in the Mixed Team Relay Classification will qualify a team in the Mixed Team Relay event. The Mixed Team Relay Classification is formed by adding the total men’s and women’s points from the same NOC/NF on the Overall Special Classification. The teams ranked 9 th and after will create the Mixed Team Relay primary reserve list.
	D.2.3 In case of a tie for 8 th place, the NOC/NF with the higher ranked position in the Men’s or Women’s Overall Special Classification will obtain the quota. If there is still a tie, the second-best ranking in the Men’s or Women’s Overall Special Classification will obtain the quota.

HOST COUNTRY PLACES

The Host Country is allocated a quota of two (2) men and two (2) women.

The Host Country is eligible to participate in the Mixed Team Relay event. Only athletes that are entered in the individual events are eligible to participate in the Mixed Team Relay Event. The selection of athletes is at the discretion of the Host Country while respecting the eligibility criteria as detailed in **C. Athlete Eligibility**.

E. Confirmation Process for Quota Places

Following 2023 ISU World Junior Short Track Speed Skating Championships, the ISU will publish the results on its website (<https://isu.org/>).

Within one (1) week of the conclusion of the 2023 ISU World Junior Short Track Speed Skating Championships, the ISU will announce the allocation of quota places through an ISU Communication. NOCs/NFs will then have two (2) weeks to confirm to ISU and Gangwon 2024 Sport Entries.

Upon confirmation by the ISU of the quota places earned by the NOCs/NFs, the subsequent “entries by name” to be made within the applicable deadlines are at the discretion of the respective NOCs, subject to the entered Skaters being eligible according to ISU and IOC rules.

F. Reallocation of Unused Quota Places

REALLOCATION OF UNUSED QUALIFICATION PLACES

If an allocated quota place is not confirmed by the NOC/NF by the confirmation of quota place deadline or is declined by the NOC/NF, the quota place will be reallocated to the next best ranked NOC/NF on the 2023 ISU World Junior Short Track Speed Skating Championships Overall Special Classification (in accordance with **D.1.2**).

QUALIFICATION SYSTEM – WINTER YOUTH OLYMPIC GAMES GANGWON 2024

NOCs/NFs earning a second (2nd) quota place through reallocation which subsequently makes the NOC/NF eligible to create a Mixed Team Relay team, will be included in the Mixed Team Relay secondary reserve list and will be ranked according to the NOC/NF's total points from the men's and women's Overall Special Classification.

If there is no Mixed Team Relay primary reserve list created from **D.2.2**, then the NOCs/NFs that earn a second (2nd) quota place through reallocation which subsequently makes the NOC/NF eligible to create a Mixed Team Relay will create the Mixed Team Relay primary reserve list. The ranking order of the NOCs/NFs on the Mixed Team Relay primary reserve list is based on the highest to the lowest total points from the men's and women's Overall Special Classification of each NOC/NF after being reallocated a second (2nd) quota place.

If a total of eight (8) teams is not formed from **D.2.2**, then the NOC/NF with the highest total points from the men's and women's Overall Special Classification after being reallocated a second (2nd) quota place will be entered in the Mixed Team Relay event. This process will be repeated until a total of eight (8) teams is entered.

If an NOCs/NF withdraws from the Mixed Team Relay event, the next best ranked NOC/NF on the Mixed Team Relay primary reserve list will be allocated a team to enter in the Mixed Team Relay event, followed by the Mixed Team Relay secondary reserve list.

REALLOCATION OF UNUSED HOST COUNTRY PLACES

If the Host Country qualifies through **D. Qualification Pathway** or if it declines any of its quota places or if the host country's athletes are not eligible pursuant to **C. Athlete Eligibility**, then the quota place(s) will be reallocated to the next best ranked NOC/NF on the 2023 ISU World Junior Short Track Speed Skating Championships Overall Special Classification (in accordance with **D.1.2**).

If the Host Country withdraws from the Mixed Team Relay event, the next best ranked NOC/NF on the Mixed Team Relay primary reserve list will be allocated a team to enter in the Mixed Team Relay event.
